All hammocks that we import are made in North-East Brazil from 100% cotton or 100% nylon. The fabric sheet of the hammocks are made in looms (electric or manual), and the edging, fringes, ropes, ends and all other details are done by hand. For closer looks at the hammocks, please see our website (www.tropicalimports.ca)! ***Spreader bars are available as an option on most hammocks!*

The double band end support for extra strength, the 2 x 3 strand weave and extra width make this a great choice in a double hammock. It has beauty, strength and class. The delicate fringe makes it an elegant choice without being too expensive.

The Double has two styles, **Reversible (REV)** or **Checked (CHK)**. All feature natural unbleached cotton woven in with one other color either in a checked pattern or an offset reversible pattern. The weave on the Double Hammock is loose but thick, providing a comfortable fit that hugs the body very nicely. (CHK navy color also available).
