All hammocks that we import are made in North-East Brazil from 100% cotton or 100% nylon. The fabric sheet of the hammocks are made in looms (electric or manual), and the edging, fringes, ropes, ends and all other details are done by hand. For closer looks at the hammocks, please see our website (www.tropicalimports.ca)! ***Spreader bars are available as an option on most hammocks!*

The **Buccaneer Hammock** is great hammock for the "reckless adventurer", and this design features unbleached natural cotton, an embedded spreader bar, great support capacity, and a white carrying case (bag) for convenient transport. This hammock is light and durable, washable and with proper care will last more than a decade.

One of the things that make this hammock such a good choice are the hand-woven details put into the single-band end supports. This increases the artistic value as well as its strength.
