All hammocks that we import are made in North-East Brazil from 100% cotton or 100% nylon. The fabric sheet of the hammocks are made in looms (electric or manual), and the edging, fringes, ropes, ends and all other details are done by hand. For closer looks at the hammocks, please see our website (www.tropicalimports.ca)!

The **Forttaleza Hammock [FOR]** is stronger than the singles, and large enough to accomodate two regularly-sized adults. The end ropes on the Fortaleza hammock are made of nylon, so they will not wear out due to mildew or mold. They will last longer.

The colors available for the Fortaleza hammock are vibrant and attractive to a wide variety of hammock lovers. The cloth in this hammock is soft and comfortable, made from a loomed linen-like material, yet it is thick and durable, sure to stand the test of time, capable of lasting a very long time.
