All hammocks that we import are made in North-East Brazil from 100% cotton or 100% nylon. The fabric sheet of the hammocks are made in looms (electric or manual), and the edging, fringes, ropes, ends and all other details are done by hand. For closer looks at the hammocks, please see our website (www.tropicalimports.ca)! ***Spreader bars are available as an option on most hammocks!*

The Nylon Net (rope) is a strong and completely weather-resistant hammock made from 100% nylon available in four vibrant colours. The ultra-soft cords have been specially selected to provide a supple, comfortable experience.

The hammock is 80 to 90 strands wide, the variation owing to the artisan nature of the production. The Nylon Rope Hammock is sure to last a very long time, and is ideal for camping, pool-side sunning, patio and backyard usage.

* Spreader Bars are available as an option.
