All hammocks that we import are made in North-East Brazil from 100% cotton or 100% nylon. The fabric sheet of the hammocks are made in looms (electric or manual), and the edging, fringes, ropes, ends and all other details are done by hand. For closer looks at the hammocks, please see our website ([www.tropicalimports.ca](http://www.tropicalimports.ca))! *\*\*Spreader bars are available as an option on most hammocks!*

This lightweight nylon hammock is compact, light and affordable. You will be surprised at how much comfort there really is in a thing so small.

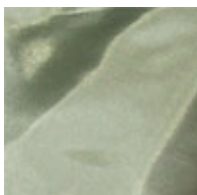

Since the parachute hammock is made of nylon, there is no danger at all of mold damage if it gets wet, the colors will not fade. You can literally take it anywhere. It conveniently packs into a small sack and is always ready to go. Great for camping, biking, hiking, hunting, going to the beach or general purpose.

You can easily store it in the small bag with a handy pull-string.
